

COMMODITY CHARGE - 2018

I. COMMODITY CHARGE per hundred cubic feet (CCF)

To apply the following tiered water utility rate structures, all billing-period consumption within the first consumption block is charged at the first block rate. All consumption in excess of the first block, but less than the third block is charged at the second block rate. All consumption in excess of the second block is charged at the third block rate.

**Single Family Residential (Inside District)**
