

SNOW-BIRD RATE ACCOUNT FORM

A Resolution of the Board of Commissioners (Resolution 579-15) created a policy for reduced flat rate charges for an account where the customer desires to suspend the use of water and/or sewer services (commonly known as “snow-bird” accounts).

SNOW-BIRD RATE ACCOUNTS: Customers who own property that will be vacant for **four (4)** consecutive months or more may request a Snow-Bird Rate.

- A. To qualify for the “Snow-Bird Rate”, a customer must complete this form and return it to West Sound Utility District (WSUD) office. Be absent from the qualifying residence for a period of not less than four (4) months.
- B. Water service to the residence receiving the reduced customer base rate will be shut off and locked at the meter upon approval by WSUD. Reconnecting of the service by anyone other than WSUD personnel will cause the property owner to incur a \$1,000.00 tampering charge.
- C. Any customer who returns to active service status prior to four (4) months absence shall be charged the customers regular rate and in addition, will be charged a \$50.00 service fee.
