

**WEST SOUND UTILITY DISTRICT  
RESOLUTION 649-17**

**A RESOLUTION OF THE  
WEST SOUND UTILITY DISTRICT BOARD OF COMMISSIONERS  
TERMINATING THE WATER CONSERVATION REBATE PROGRAM**

**WHEREAS**, the District's Board of Commissioners approved the creation of the Water Conservation Rebate Program in May 2008 and January 2005; and

**WHEREAS**, the District's Water Conservation Rebate Program currently provides a \$50 rebate for a customer's purchase of an Energy Star washing machine and up to a \$100 rebate for a customer installing a pressure reduced value; and

**WHEREAS**, the initial implementation of the rebate program was modestly successful with the maximum number of washing machine rebates reaching twenty-six (26) in 2006 and five (5) PRV rebates in 2008; and

**WHEREAS**, the program is now rarely used with the District issuing only two washing machine rebates and one PRV rebate in 2016; and

**WHEREAS**, as a result of the current water conservation measures and rare use of the rebate program, it is recommended that the District terminate the continued administration of this rebate program; NOW THEREFORE,

**THE BOARD OF COMMISSIONERS OF WEST SOUND UTILITY DISTRICT HEREBY RESOLVES:**

Section 1. The Board of Commissioners hereby terminates the District's Water Conservation Rebate Program.

Section 2. The District hereby repeals Resolution 42-98, "Water Conservation Rebate Program".

**APPROVED and ADOPTED** by the Board of Commissioners of West Sound Utility District at a regular scheduled meeting on April 10, 2017.
